

PAPERWORK REDUCTION ACT
COLLECTION DISCONTINUATION FORM

Agency/Subagency US Department of Education/National Institute on Disability Rehabilitation Research (NIDRR)	OMB Control Number 1820-0679 200611-1820-004	
Title of Collection: Focus Group Input from Individuals with Disabilities and Targeted Individuals		
Current Expiration Date 01/31/2010 Month/Year	Requested Expiration Date To Discontinue Collection 01/31/2010 Month/Year	
Reason for Discontinuation: The Interagency Committee for Disability and Rehabilitation Research (ICDR) is mandated to secure public input. However, authorizing legislation does not prescribe the methods to be used to collect public input. The ICDR no longer uses the focus group method for public input. The committee plans to make better use of electronic tools and to take advantage of social media options to support public input activities. Stakeholders will be provided a variety of alternative options for input. The existing form is no longer valid with regard to state of the science. The committee will not benefit from continued use of the form.
